

**DOTHAN
EDUCATION
FOUNDATION**

Scoring should reflect the applicant's success in articulating creative, thoughtful activities or projects that encourage innovative teaching to enhance the educational experience for students by supplying funds for activities that would otherwise be unavailable - activities outside the scope of normal funding.

As you're reading please consider these values and objectives:

- Strong evidence of a passion for teaching & for student learning
- Compelling rationale
- Stimulates creativity in instructional practice
- Develops new skills for student and/or teacher
- Demonstrates an opportunity for increased student learning
- Inspires innovation
- If a team project; evidence of commitment to collaboration
- Realistic expectations for possible outcomes

Grant # _____

School Grant

Teacher Grant

Judge Name _____

Scoring Rubric
